## Statement from ORP Chairman @JaneyMurph on #PresidentsDay

### Statement from ORP Chairman Jane Timken on Presidents' Day

*Columbus, OH* - Ohio Republican Party Chairman Jane Timken released the following statement regarding Presidents' Day:

"As Americans, we are lucky to live in a nation once led by great men such as George Washington and Abraham Lincoln. As our country's first president, Washington wanted religious freedom, a republic of free citizens, and to protect life, liberty and property. Lincoln was another influential figure in our history by abolishing slavery and upholding the notion that the president alone is sworn to preserve, protect, and defend the Constitution during wartime. These great presidents have paved the way for what values our nation presently upholds, and for all presidents that have come after them. As we celebrate them today on Presidents' Day, we should recognize President Trump's commitment to those same values that once laid the foundation for the United States many years ago. A government of the people, by the people, and for the people is what we always have, and always will, continue to cherish.

America needs Congress to come together & pass a CLEAN funding bill to stop the further spread of this coronavirus. We can't hold this up by attaching it to FISA reauthorization or partisan drug control measures. Speaker Pelosi, stop playing politics with our public safety!

**Kevin McCarthy** ✓ @GOPLeader

Congress should've already passed a funding bill to combat coronavirus. Period. But Democrats are hell bent on sneaking in elements of their liberal agenda—which would slow down vaccine development and availability.

Her doctor determined a test for COVID-19 was necessary given her symptoms.

As she awaits the results, out of an abundance of caution, we are contacting everyone the Chairwoman remembers coming into contact with in recent days. Upon the advice of doctors, she and her family are self-quarantining at their home.

Some states are forcing restaurants to close, but that sends everyone to the grocery.

Better to require all food to go, no dining in, and it would be easier for owners to keep their restaurant covid-free. Covid tests for food service & grocery workers would be awesome.

Oregon's 1st death came yesterday at a Veterans nursing home where they are so short of supplies of gloves, masks, got so low on gowns they went to the nearest Home Depot to see what they had to use to substitute.

A Veterans nursing home. Hadn't they already sacrificed enough?

COLUMBUS "Today, Governor Mike DeWine and Secretary of State Frank LaRose made the recommendation to postpone the primary election that was set to be held tomorrow. This tough recommendation was made in order to mitigate the spread of COVID-19 and to ensure the integrity and security of our election. We fully support this recommendation, while knowing how difficult this will be on our candidates and their campaigns. We will work with all parties to assist in disseminating information on the new primary date and the new voting rules associated with this change."

## Statement from ORP Chairman @JaneyMurph

### Statement from ORP Chairman Jane Timken Regarding Democrats' Absurd Additions to COVID-19 Bill

"Sherrod Brown and Ohio Democrats continue putting party over country by refusing to vote for a bill that will give Americans access to essential financial relief in a time of global crisis. We feel strongly that a COVID-19 bill should only include stimulus plans relating to the economic hardship Americans are experiencing as a result of the coronavirus. Instead, elitist Democrats are trying to sneak funding for non-emergency items into the bill, like \$35 million for the JFK Center for the Performing Arts and tax credits for wind and solar energy. The Democrats' true colors have once again shone through."

-###-

#### Background:

List of just a few of the proposed additions to the COVID-19 stimulus bill as proposed by Nancy Pelosi and the Democrats

- Corporate Board Diversity
- Airline Emission Standards Increase
- Study on Climate Change
- Same Day Voter Registration
- \$35 million for the JFK Center
- Union Bargaining Powers Increase

## Statement from ORP Chairman @JaneyMurph:

### Statement from ORP Chairman Jane Timken on Bernie Sanders's Suspension of Presidential Campaign

*Columbus, OH* – Ohio Republican Party Chairman Jane Timken released the following statement regarding Bernie Sanders's suspension of presidential campaign:

"Earlier today, Bernie Sanders announced the end of his presidential campaign. As the Democrat establishment now settles for Joe Biden as their presumptive nominee, we look forward to Joe Biden's attempt at competing with President Trump. The President has achieved real results for Americans and kept his campaign promises, while Joe merely chases the title of president. Joe Biden has become a polarizing figure in his own party, and Bernie Sanders's supporters will be looking elsewhere when they vote for President. Sleepy Joe can barely put together a sentence, let alone a winning campaign. We very much look forward to the re-election of President Trump."

Once again, Democrats have proven they are not the party of the people. Today, Senate Dems blocked an effort to pass \$250 billion more in aid for small business relief. They continue to put their partisan agenda ahead of the well-being of Americans.

Let me clear up some confusion for Ohio voters: HB 197 says the only 2 groups of voters who can cast a ballot in-person on Tuesday are those w/ a disability & those who are homeless. Everyone else must vote by mail. Requests must be in by noon Saturday.

Much has been made of a long standing provision in state and federal law that permits a voter who requests an absentee ballot by the deadline but does not receive it by Tuesday to vote provisionally. This is true, but it should absolutely be the exception not the rule.

**Frank LaRose** ✓ @FrankLaRose · Apr 24

If you are an Ohio voter who is neither disabled nor homeless, you must request an absentee ballot and vote by mail in this primary. I talked with the Dep Postmaster General for the @JSPS today & they are taking extraordinary steps to expedite elections mail this weekend.

In the unlikely event that a voter requests an absentee ballot by the Saturday deadline, but they do not receive it by Tuesday, that voter can vote provisionally

It's 7:30 and our primary election is over.

Results are starting to be counted across Ohio, but because this was a vote by mail election, those results will be reported a little different than we're used to tonight.

Here's what you can expect.

On June 6, 1944, the Allied forces launched one of the greatest military campaigns in history — an invasion that would turn the tides of World War II.

Joe Biden clearly bet against America by scheduling a press conference ahead of what he thought would be a bad jobs report.

He is not the person to rebuild the economy.

@realDonaldTrump cleaned up Biden's mess before, he'll rebuild after this crisis.

The best is yet to come!

A truly incredible quote here from @OHDems.

Complaining about the PPP being insufficient and not getting to small businesses while they took a large sum from PPP so it couldn't get to small businesses.

Questionable. Illegal. Unethical.

This is how FL Dems described their own party taking PPP funds from small businesses.

So far, no @OHDems have said a word about their own party doing the same.

Good editorial worth reading from the @toledonews explaining why we need to pass the bipartisan Safeguarding American Innovation Act to stop #China and other foreign adversaries from stealing our taxpayer-funded IP & research.

Save your breath. We ALL knew the fix was in with HB6. We didn't know exactly who or how but it was obvious.

I will not consider any republican candidate until all currently in office are gone. [local/state/national](#) Twenty years of GOP control and our state is a joke.

Again, no condemnation of FirstEnergy/EnergyHarbor. She knows that many Republican officeholders will rely on this bribing, scheming, corrupt company to fund their re-election campaigns.

Now would be a great time to contact your elected officials. Do they accept money from them?

Susan B. Anthony played a pivotal role in the women's suffrage movement.

After voting for the Republican ticket, she was found guilty of illegally voting by an all-male jury in 1873.

Nearly 150 years later, @realDonaldTrump is issuing a full pardon to this American hero!

The theme of @realDonaldTrump's  
nominating convention is "Honoring the  
Great American Story."

Nightly themes:

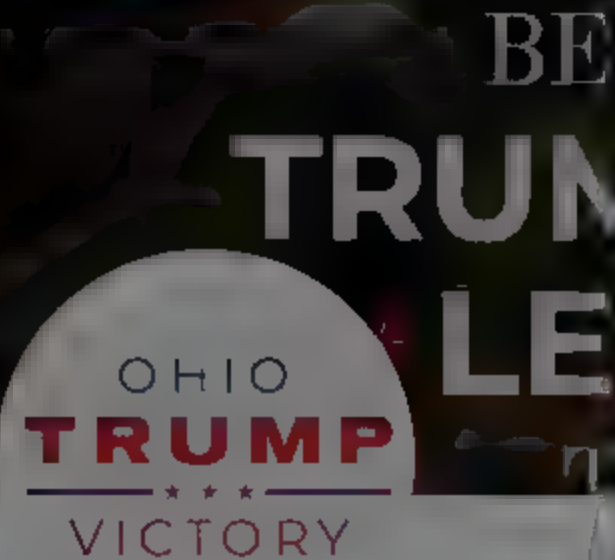

-  U.S. Land of Promise

Much more positive & optimistic than Dems'

It is truly elitist for Joe Biden to threaten to shut the entire country down.

That may be easy for Hollywood celebrities and privileged politicians, but millions of Americans need to go to work and live their lives.

We can balance that reality with health and safety.

Two years ago, our nephew Eli was killed in a car accident. He lived a mile from us. Grew up wrestling and training with our boys. Was a high school state champion Varsity athlete for Wisconsin.

1 6 28

**Rep. Jim Jordan** ✓ @JimJordan · 36s

It was a Saturday morning, three days after the accident. I was walking to the car to go to Eli's parent's home, when the President called.

1 6 24

**Rep. Jim Jordan** ✓ @JimJordan · 36s

We talked about a few issues. And then he asked how the family was doing.

I said they're doing "ok, but it's tough."

The President said "Yea. Losing a loved one's always difficult, and it's really tough when they're so young."

1 2 15

**Rep. Jim Jordan** ✓ @JimJordan · 36s

I then said "Mr. President, I'm actually walking into their house right now. Obviously, they don't know I'm talking to you. But if you'd be willing to say hello to Eli's dad, you'd make a terrible day a little less terrible."

I was raised in Kentucky, just a few miles from Abraham Lincoln's birthplace. Our first Republican president believed in compassion. Self-reliance. Freedom. Equality. And justice.

1 19 84

**Daniel Cameron** @DanielCameronAG · 3m

Sadly, there are some who don't believe in this wisdom or in the better angels of our shared American history, as they tear down the statues of people like Ulysses S. Grant, Frederick Douglass, and even Mr. Lincoln himself.

4 15 64

**Daniel Cameron** @DanielCameronAG · 2m

Lincoln said "any nation that does not honor its heroes will not long endure." And for Republicans, our heroes are those who propelled an imperfect nation ever forward, always striving to make life better for everyone.

1 16 60

**Daniel Cameron** @DanielCameronAG · 2m

Even as anarchists mindlessly tear up American cities while attacking police and innocent bystanders, we Republicans do recognize those who work in good faith towards peace, justice, and equality.

Judicial confirmations may be one of President Trump's most important legacies. These women and men make decisions on the issues we care the most about. Twenty five percent of all active federal judges right now have been appointed by President Trump.

Nearly 1/3 of appeals court judges, and nearly 1/4 of district court judges have been appointed by this administration. President Trump's suggestions of future nominations he could make in a second term reminds us of the duty a President has in shaping the federal judiciary.

Moments ago, 2 of our Sheriff Deputies were shot in Compton and were transported to a local hospital. They are both still fighting for their lives, so please keep them in your thoughts and prayers. We will update this thread with information as it becomes available.

The liberal mob is attacking Judge Amy Coney Barrett for being a Christian. These are many of the same liberals who regularly lecture us about empowering women, but the truth is they are liars and hypocrites who care only about empowering themselves and their radical agenda.

I guess one of the things I don't understand about Amy Comey Barrett is how a potential Supreme Court justice can also be a loving, present mom to seven kids? Is this like the Kardashians stuffing nannies in the closet and pretending they've drawn their own baths for their kids

ORP Chairman @JaneyMurph's statement on  
#AmyConeyBarrett's nomination to the U.S.  
Supreme Court 

**Statement from ORP Chairman Jane Timken on President  
Trump's Nomination of Amy Coney Barrett to the United  
States Supreme Court**

*Columbus, OH* – Ohio Republican Party Chairman Jane Timken released the following statement regarding Amy Coney Barrett's nomination to the court:

"President Trump has officially nominated U.S. Court of Appeals Judge Amy Coney Barrett to fill the vacant seat on the Supreme Court. Those who know her are confident she will uphold, respect and defend the Constitution as originally intended."

"As a wife and mother of seven children, Barrett is proof that women can accomplish anything they choose. Filling Justice Ginsburg's vacant seat will be an ambitious task, but I look forward to another pioneering woman sitting on our country's highest court."

"Ohio Senator Rob Portman has expressed his readiness to take President Trump's choice into consideration. It is imperative that other Senate Republicans follow suit. The Democrats hoping to block Barrett's nomination are the very same ones who ardently supported President Obama's nominee in 2016. The Constitution is clear, and U.S. Senators are duty bound to follow it."

"I look forward to the Senate confirming Amy Coney Barrett as the next Justice of the U.S. Supreme Court."

Unless Amy Coney Barrett can explain, it should be disqualifying for a SCOTUS candidate to recklessly and publicly violate federal pandemic guidelines and even encourage others to do the same while we follow them. Here's CDC guidance that Amy Covid Barrett should've followed:

CDC recommends that all people, whether or not they have had COVID-19, take steps to prevent getting and spreading COVID-19: Wash hands regularly, stay at least 6 feet away from others whenever possible, and wear masks.

And testing is irrelevant in this situation:

Source: <https://www.cdc.gov/media/releases/2020/s0916-covid-19-testing.html>

However, because false negative results on diagnostic tests happen relatively often, a negative result should not give you a sense of false security.

State Legislative Leaders in All 50 States Support the Nomination of  
Judge Amy Coney Barrett to the U.S. Supreme Court and Urge the  
U.S. Senate to Conduct a Prompt, Thorough and Fair Hearing Process

October 12, 2020

Dear Leader McConnell, Minority Leader Schumer, Judiciary Chairman Graham and Ranking  
Member Feinstein

As legislative leaders who represent all 50 states and 92 state legislative chambers across the  
nation, we wish to express our full confidence in Judge Amy Coney Barrett, President Donald  
Trump's nominee to the United States Supreme Court.

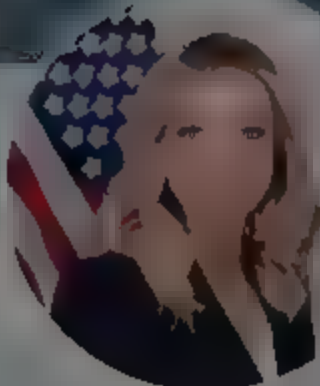

President Trump has been transparent with the American people about who he has considered,  
and he was prompt in putting forth a nominee for your consideration. This was consistent with  
more than 200 years of precedent. Indeed, there have been more than two dozen Supreme Court  
vacancies during an election year or before an inauguration. In each of those cases, the sitting  
President made a nomination to the nation's highest court.

We ask that you honor your responsibility to give Judge Barrett full and fair consideration and  
that you approve her nomination as soon as possible. We are confident that she is up to the task  
of undergoing the Senate's hearing process and will demonstrate how qualified she is to sit on  
the highest court of our land.

Judge Barrett's qualifications are undeniable. She is a well-respected federal judge and a former  
Supreme Court law clerk. She is a brilliant legal scholar and has been selected as distinguished  
professor of the year by three of Notre Dame Law School's graduating classes. Judge Barrett has  
the right judicial temperament to serve on the nation's highest court. Her colleagues and

Joe Morgan was a player who mastered every detail of the game. We saw him play many times with our older children, Pat, J., Becky, & John. It was a thrill to watch him! To Brian, Alice, Mark, and Anna, he was the voice of Sunday night baseball, when later he was an announcer.

He had a unique ability to explain what was happening on the field to the average fan. He was a master at explaining the "why" of baseball in both business and charity, even after his playing days were over, he continued to be involved in the Cincinnati area community.

We were put in this position of *power* and *importance* to make decisions for the people who so proudly elected us, the most important of which has long been considered to be the selection of United States Supreme Court Justices. We have this *obligation*, without delay!

Joe Biden's recent selection of small-town mayor Pete Buttigieg as transportation secretary highlights the radical direction the Democrat Party continues to take. Buttigieg supports government-funded healthcare, eliminating the Electoral College, and is an abortion advocate.

Buttigieg tried to position himself as moderate, yet these are positions supported by the radical left. With more cabinet members still to name, it should come as no surprise that Biden will continue choosing people whose views drastically differ from those of the average American.

As Americans we have the constitutional right to redress our grievances but not with violence. What's happening in the Capitol is wrong and not the way forward.

## Statement from ORP Chairman @JaneyMurph:

### Statement from ORP Chairman Jane Timken on Violent Protests

Columbus, OH – Ohio Republican Party Chairman Jane Timken released the following statement regarding this weekend's planned political protests:

"As I have said before, we as Americans have the right to seek redress of our grievances, but not through violent means. The violence and destruction that took place in the halls of the Capitol building last week was simply un-American. Those who committed violent actions should be prosecuted to the fullest extent. Now, law enforcement has warned of armed protests set to take place in D.C. and the capital cities of all 50 states this weekend, Columbus included. The violence must stop."

"Fundamental to our democracy is the peaceful transition of power. I am urging all Ohioans no matter what side of the aisle you are on violence is not and is never the answer. Our nation needs to heal."

Shutting down the **Keystone XL** pipeline will eliminate thousands of good-paying union jobs, stifle economic growth, increase costs for working families & undermine America's energy security.

This is an ill-advised decision & I urge President Biden to reconsider.

American energy innovation is respected around the world.

Pipelines like the Keystone XL are the safest & most efficient ways to transport energy.

By canceling Keystone, Pres. Biden has put 11,000 Americans out of work & raised energy costs for families around the US.

As a part of his tax proposal, Biden plans to raise the corporate tax rate to 28%—higher than Canada (15%), the United Kingdom (20%) and China (25%).

**Statement from ORP Chairman Jane Timken Regarding Senator Rob Portman's Decision to Not Pursue Re-Election in 2022**

*Columbus, OH* – Ohio Republican Party Chairman Jane Timken released the following statement regarding Portman's announcement:

"Rob Portman is a statesman whose service to our country and our party over nearly three decades has been invaluable. His leadership and temperament will be missed in the halls of the U.S. Senate and amongst Ohio Republicans. While we have huge shoes to fill in the U.S. Senate, I thank Senator Portman for his service and hope all Ohioans will join me in recognizing his accomplishments that furthered our great state."

Biden and his socialist allies are rolling back tough-on-China policies, flinging open our borders with amnesty, decimating American energy jobs which thrived under Trump and targeting the middle class with the largest tax increase in history.

Opinion: Protecting pro-Trump, conservative leadership and policies decided to step aside from our work at the Ohio Republican Party to fight for the Trump agenda and our country in another way.

As Chairman of the Ohio Republican Party, I was a conservative disruptor. With the support of President Trump, I built a party that delivered conservative, America First victories at every level.

Now I'm taking that same work ethic and attitude to Washington.

Sad to see how far the Republican party has Fallen. Really hope it can move away from insurrection and conspiracy theories. Not going to hold my breath though.

Ohioans need my voice – a mom and a fighter – in Washington, DC to fight for the Trump Agenda and stop socialism dead in its tracks.

We need to fight back against the attacks on our manufacturing and energy jobs, stop the liberal tax increases, and put an end to the Biden amnesty plan. As senator, I'll be a strong conservative, fighting for freedom and opportunity for every Ohio family.

Donald Trump has given a voice to Ohioans who were previously forgotten, ignored, or cast aside.

He reshaped the Republican Party and not only do I trust he'll stay involved... We need him to.

Joe Biden is trying to undue everything President Trump delivered for our country. Since taking office he has STOPPED the construction of the border wall, promised blanket amnesty and is putting American lives and livelihoods at risk.

I stand with President Trump in supporting an America First immigration system that puts the safety of American families and the interests of the American worker first. We must stop Joe Biden's radical open borders agenda. #CPAC

President Trump understands our immigration system should support American workers and businesses — and keep our families safe. Joe Biden believes the opposite, he shares the Left's obsession with open borders, amnesty and unrestrained and unvetted refugee admissions. #CPAC

**Timken: Trump CPAC Speech "Critical and Timely" Reminder of Importance of Fighting for America First Agenda**

*Applauds Trump's "Continued and Indispensable Leadership" On Issues of Critical Importance to the Safety and Prosperity of our Country*

CANTON, OH – U.S. Senate candidate Jane Timken reacted to former President Trump's speech to the Conservative Political Action Conference (CPAC), Sunday

"President Trump's speech is a critical and timely reminder that we must continue to fight for strong, America First leadership in Washington to stop the radical and disastrous agenda of Joe Biden and his socialist allies," Timken said. "I support President Trump's America First agenda, including our right as a sovereign nation to establish secure borders and insist newcomers to our country bring with them skills, a willingness to work hard and respect for our laws."

"President Biden is targeting all the progress we made over the last four years," Timken continued. "While President Trump understands that our policies should be designed to support American workers and businesses – not undermine them, Joe Biden believes the opposite, he believes in the Left's obsession with open borders, higher taxes and more government control over our daily lives."

"I support a system that puts the safety of American families and the interests of the American worker first," Timken added. "And I applaud President Trump for his continued and indispensable leadership on these issues of critical importance for the safety and prosperity of our country."

With all the emphasis on the fight for Trump in #OHSen, @JaneyMurph today announced endorsements from 19 state reps. Not as sexy, but shows the sort of organization a former state party chair — who got that job with Trump's support — can build in a competitive primary.

*Says Stepping Aside Essential to Unifying the Republican Party, Ensuring Effective Representation for People of 16th District*

CANTON, OH — U.S. Senate candidate Jane Timken called on Congressman Anthony Gonzalez (R-OH 16) to resign Monday.

"It is clear Congressman Gonzalez's wrongful decision to vote with Nancy Pelosi and Chuck Schumer to impeach President Trump has undermined his ability to effectively represent the people of the 16th district," Timken said. "Gonzalez should immediately resign so the Republican Party can unify behind new, conservative leadership for the 16th district."

"President Trump is the leader of our Party and we must have conservative leaders committed to the team if we are going to keep Ohio red and win back majorities in the U.S. House and Senate in 2022," Timken added. "Gonzalez should put his constituents and the Republican Party first by resigning from Congress."

I am honored and humbled to receive the endorsement of 38 Members of the Ohio Republican State Central Committee for the U.S. Senate.

Together, we united the party around candidates who support the America First agenda and delivered conservative victories across Ohio.

Another sign of Jane Timken's organizational advantage in #OHSen: She just announced endorsements from a healthy majority of the state GOP central committee. Not a surprise, given that committee had made her state party chair. But reinforces the network she has at her disposal.

Mandel and others of course can run against this as "the establishment" and that makes signals from Trump world all the more important. Which helps explain the dynamics we're seeing early on.

Timken also previously announced endorsements from state reps. So locking

Biden and his allies must be held accountable for planning to force-through a massive left-wing wishlist under the guise of "relief." This partisan exercise is an insult to Americans who need targeted help and the freedom to return to their lives.

Donald Trump has given a voice to Ohioans who were previously forgotten, ignored, or cast aside.

He reshaped the Republican Party and not only do I trust he'll stay involved... We need him to.

It was great to be out on the trail at the Lucas County GOP First Friday Luncheon.

Ohio needs a Senator who will advance the America First agenda, stand up to Joe Biden's disastrous policies, and protect Ohio jobs and families.

Democrats' far-left bonanza masquerading as stimulus is an insult to millions of Americans who need targeted relief and the freedom to return to their daily lives. My full statement:

FOR IMMEDIATE RELEASE  
Saturday March 6, 2021

**Timken: Democrats' Far-Left 'Stimulus' Bonanza an Insult to Struggling Americans**

*Senate Candidate Says Biden, Democrats Must be Held Accountable for Brehtaking Betrayal*

CANTON, OH — U.S. Senate candidate Jane Timken reacted Saturday to the Senate passage of a so-called COVID-19 stimulus package.

"Democrats' far-left bonanza masquerading as stimulus is an insult to millions of Americans who need targeted relief and the freedom to return to their daily lives," Timken said. "Rather than provide struggling small businesses the support they need and focus on getting America reopened, Joe Biden and his socialist allies are using this crisis to ram through a far-left wish list."

"This package is a grab of nearly two trillion dollars from American taxpayers for the purpose of bloating the federal government and advancing a far-left agenda," Timken continued. "Joe Biden and his socialist allies in Congress must be held accountable in the next election for this breathtaking betrayal of the American people."

FOR IMMEDIATE RELEASE  
Monday March 8, 2021

**Timken: Time for In-Person Learning, Five Days a Week Now**  
*Teachers Must Show Up to Work in a Classroom for Ohio to Successfully Reopen*

CANTON, OH – U.S. Senate candidate Jane Timken said Monday that every school district in the state must immediately return to in-person learning five days a week with a teacher in the classroom. On Thursday, the union representing Cleveland teachers told its members to try to sabotage plans for in-person learning by remaining virtual.

"Big labor special interests have undermined the education of our state's children and placed undue strain on parents for long enough without a shred of scientific evidence to justify their obstruction," Timken said. "The time is now for every school district in Ohio to return to in-person learning with a teacher in the classroom, five days a week."

"There is no room for any more hybrid half-measures, like volunteers or non-teacher staff watching a classroom while a teacher remains remote," Timken continued. "Many districts have done the hard work to successfully restart in-person learning in line with state's goal of March 1 and they should be commended."

"But for those who haven't and where Big Labor special interests continue to throw up barriers to educating students in-person, there must be immediate action," Timken added. "For Ohio to successfully reopen teachers must show up to work in a classroom and do their jobs in every district starting immediately."

I'm calling on the Cincinnati Board of

Cincinnati school in the fall.

**Timken: Reopen Walnut Hills High School in Cincinnati Now**  
*Students at Timken Alma Mater At Risk of Falling Behind Without Immediate Return to In-Person Learning*

**CANTON, OH** U.S. Senate candidate Jane Timken said Tuesday the Cincinnati Public Schools Board of Education must act immediately to provide in-person learning, with a teacher in the classroom five days a week, at Walnut Hills High School. The school, of which Timken is an alumni, is the only school in the district that remains entirely virtual.

"My time at Walnut Hills High School in Cincinnati provided me with a great education, valuable extra-curricular activities, and friendships that helped make me who I am today," Timken said. "When I think of the current students at Walnut Hills High School, I am dismayed that they are the only students in Cincinnati still being completely denied access to in-person learning, which provides the sort of opportunities I benefited from as a young person."

"I'm calling on the Board of Education to take immediate action to reopen Walnut Hills and to commit today to full, in-person learning, with a teacher in the classroom five days a week, for every Cincinnati school in the fall," Timken continued. "As most schools in Ohio reopen, these students are at risk of falling further behind and their parents must have the ability to plan and return to their daily lives to recover from the pandemic."

Biden's presidency so far:

- Major border crisis caused by his policies
- Unions emboldened to keep schools closed
- Thousands of energy jobs destroyed
- Tax hikes planned
- Antifa destroying Portland
- Military playing politics

No wonder he won't hold a press conference.

Joe Biden should be dealing with the crisis of his own creation at our southern border, in person, rather than taking his so-called stimulus roadshow to Ohio this week.

FOR IMMEDIATE RELEASE  
Monday March 22, 2021

**Timken Slams Biden for Ohio Sales Pitch Amid Border Crisis**  
*Says President Should End Stimulus Roadshow to Deal with Out-of-Control Illegal Immigration*

**CANTON, OH** U.S. Senate candidate Jane Timken released the following statement Monday ahead of President Biden's scheduled visit to Columbus Tuesday.

"Joe Biden should be dealing with the crisis of his own creation at our southern border in person, rather than taking his so-called stimulus roadshow to Ohio this week," Timken said. "Hardworking Ohio families know the massive spending package forced through Congress was a far-left wish list and don't need the president to patronize them with his sales pitch after the fact."

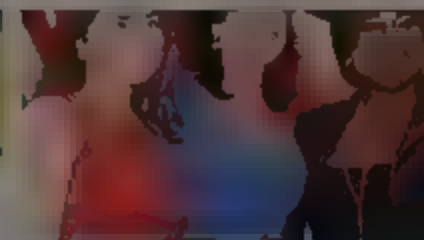

"Instead, Biden should travel to the border to take control of increasingly out-of-control illegal immigration and the developing humanitarian crisis," Timken continued. "The massive flood of illegal immigrants crossing into our country, many carrying COVID-19, poses a pressing threat to our nation's economy, health and security."

Joe Biden reversed President Trump's tough on illegal immigration policies, refuses to acknowledge the crisis, and won't let the media cover it.

This is outrageous! We need action at the border now!

**Citizens United**  @Citizens\_United

When pressed on a timeline for media access, Biden intimated that it wouldn't happen until after his border "policies" were implemented. Essentially, the Biden Administration is committed to transparency, unless it will make them look incompetent.

The new Georgia Election law:

- ✓ expands weekend voting hours

Yet Joe Biden and his friends on the left cry voter suppression. Ridiculous!

President Trump is correct. Ohioans cannot afford the largest tax hike in American history.

This is another power-grab from the Left that will explode the already deeply concerning national debt and make us less competitive with other countries.

Ohioans are struggling to recover from a pandemic yet Biden wants to:

- ✗ Pass another multi-trillion plan
- ✗ Impose largest tax hike in decades
- ✗ Destroy jobs

➡ All to pay for a bill that does more to appease left-wing special interests than address infrastructure.

Statement:

**Timken Slams Biden's Multi-Trillion Infrastructure Proposal**  
*Calls it a Trojan Horse for Socialism with Dangerous Tax Hikes*

CANTON, OH – U.S. Senate candidate Jane Timken released the following statement in response to Joe Biden's proposed infrastructure plan:

"Joe Biden's so-called 'infrastructure' plan is a Trojan horse for socialism that would usher in left-wing progressive policies that would be dangerous for Ohioans. On the heels of a \$2 trillion bill and at a time when Ohio families are struggling to recover from a crippling pandemic, Joe Biden wants to pass another multi-trillion plan that would impose the largest tax hike in decades – all to pay for a bill that does more to appease left-wing special interest groups than actually address critical infrastructure issues.

Our elected leaders must focus on jobs and economic recovery – not another progressive giveaway that would destroy jobs and make us less competitive with other countries. Joe Biden has proven time and again he is not a moderate or a unifier, and we must have strong leaders in the U.S. Senate that will stand up to him and fight for an America First agenda that will strengthen Ohio."

Today's job report is promising, but has nothing to do with Biden & Democrats.

It was President Trump that gave us the vaccine that is spurring recovery & it's Republicans pushing to re-open while Dems slow-walk.

Now more than ever, we cannot afford Biden's high tax policies

### Timken Response to March Jobs Report

*Job Growth is in Spite of Biden and Democrats*

CANTON, OH – U.S. Senate candidate Jane Timken released the following statement in response to March's job report:

"Today's job report, while promising, has nothing to do with Joe Biden and Democrats. In fact, it's in spite of them. President Trump and his Administration's work on Operation Warp Speed paved the way for a vaccine that is spurring this economic recovery and strong Republicans are leading the way on opening our economy while Democrats continue to capitulate to special interests by slow-walking the full re-opening of schools and businesses.

Now more than ever, it's clear that we cannot afford Biden's far-left progressive policies that would cost our country trillions of dollars, hike taxes on struggling families, and kill thousands of jobs just as our country is rounding a corner and much progress is still needed. We need good Republican leadership that advocates for less regulation, less taxes, and less government intervention. As your U.S. Senator, that is exactly what I will fight for."

CANTON, OH — U.S. Senate candidate Jane Timken released the following statement in response to Joe Biden's executive overreach on our Second Amendment rights.

"Joe Biden is ruling by executive fiat to trample our Second Amendment rights with arbitrary definitions and fear-mongering rhetoric. Increased gun regulation doesn't stop the violence that bad people commit - it only hurts the good guys.

Biden's disaster bill disguised as COVID relief included a funding formula that bailed out blue states like NY.

And how are they using OHIO tax dollars? Giving \$15,600 to illegal immigrants.

As Senator when I say I will fight for AMERICA first-this is what I will stand against!

The New York Times @nytimes

New York will offer one-time payments of up to \$15,600 to undocumented immigrants who lost work during the pandemic. The effort — a \$2.1 billion fund in the state budget — is by far the biggest of its kind in the U.S. [nyti.ms/3dlDVC](https://nyti.ms/3dlDVC)

## STATEMENT

### Timken Applauds Senate Efforts to Strip Antitrust Exemption Censorship and "Woke" Culture Shouldn't Be Rewarded by Taxpayer Dollars

CANTON, OH – U.S. Senate candidate Jane Timken applauded Republican Senators Cruz, Hawley and Lee's efforts to strip the MLB of its antitrust exemptions in light of the rise of "woke" corporations becoming an arm of the Democrat Party.

"Big corporations and Hollywood elites think their voices matter most - and when those voices are used to spread disinformation and Democrat talking points, like with the Georgia voting rights bill, the will of the people and our liberties get trampled. The censorship and 'woke' culture we are seeing from big tech and big business should not be funded by taxpayer dollars with special benefits and exemptions. As a Party and as a country, we must promote healthy competition for the American economy to thrive, not reward big corporations for putting their thumbs on the scale." Democrats are launching an assault on the Supreme Court in order to eliminate our God-given protections:

The Right to Bear Arms  
The Right to Life

They are trying to eliminate conservative voices. We must fight their court-packing agenda! 🇺🇸

**Timken Condemns Democrats' Radical Court-Packing Agenda**  
*Democrats Using Supreme Court as Vehicle for Liberal Dominance*

CANTON, OH – U.S. Senate candidate Jane Timken released the following statement condemning Democrats' radical court-packing agenda:

"The Democrats' latest power grab to pack the Supreme Court is about one thing: cementing liberal dominance for decades to come. Democrats want to completely erode our God-given right to life and right to bear arms, and they are using the Supreme Court as their radical vehicle. Not long ago, Joe Biden himself said packing the Supreme Court was a 'bonehead idea,' but Democrats, drunk on power, continue to move increasingly left.

This latest overreach highlights exactly why it is so critical that we retake the Senate in 2022, starting with my race in Ohio. As Senator, I will always stand up for conservative voices and protect our Constitution. Our rights are God-given, not government-given!" - U.S. Senate candidate Jane Timken

This is a terrible, sad, tragedy.

Biden's direct policies have led to a surge of unaccompanied minors at the border, with no plans on how to handle the influx.

The **#BidenBorderCrisis** is a humanitarian disaster. We need leadership. Now.

There is an escalating crisis on the Southern border and the Biden administration is nowhere to be found - yet they are concerned with "politically correct" labels?

Where are the actual policies and solutions?

Democrats want everything to be "infrastructure" - except when it comes to actually securing our border.

No border infrastructure included in a \$2+ trillion bill, even as we face the largest surge in 20 years.

Americans could not afford the Green New Deal's \$93 trillion price tag before the pandemic, and we certainly can't afford it now.

In the U.S. Senate, I will proudly stand against Democrats' radical climate agenda.

Statement

"Americans could not afford the Green New Deal's \$93 trillion price tag before the pandemic, and we certainly can't afford it now. The Green New Deal would destroy the economy and leave every American household footing the bill. It would decimate good-paying energy jobs that help fuel Ohio and dramatically increase energy prices for families.

In less than 100 days, the far-left has tried to pack the Supreme Court, federalize our elections, eliminate the filibuster, add a liberal state, raise taxes on families, and now institute a socialist takeover in the name of their radical climate agenda.

In the U.S. Senate, I won't let them " - U.S. Senate candidate Jane Timken

The allegations against John Kerry are deeply alarming. If true, it would be an egregious betrayal of the safety and security of America and our ally, Israel.

"The allegations against John Kerry are deeply disturbing and alarming. If true, it would be an egregious betrayal of the safety and security of America and our ally, Israel. President Biden must immediately remove Kerry from any and all intelligence matters relating to our national security so that an effective and thorough investigation can be conducted. If proven true, John Kerry should be fired."

This frightening incident only highlights the dangers of an increasingly emboldened Iran. The United States should in no way re-enter the failed Iran Nuclear Agreement with bad faith actors who are looking to do harm to America and Israel. The Biden administration should cease talks, maintain strong sanctions, and stand shoulder-to-shoulder with Israel."

**Jane Timken Launches Digital Campaign to "Reject Tim Ryan"**  
*"Loud, Proud, Liberal" Tim Ryan Out of Step with Ohioans*

CANTON, OH – U.S. Senate candidate Jane Timken launched a new digital campaign Wednesday highlighting Tim Ryan's true colors as a "Loud Proud, Liberal." The ads, running on Facebook, Twitter, Google and other digital platforms, call on voters to sign a petition urging Ohioans to "Reject Tim Ryan."

"Tim Ryan has tried to talk out of both sides of his mouth for years. He pretends to be a champion of the working class, but votes in lockstep with the radical liberal policies of Nancy Pelosi and AOC that will raise taxes, kill jobs and destroy Ohio's energy resources," said Timken.

"I'm running for the Senate to be the true champion for Ohio's families, businesses and workers," continued Timken. "We don't need any more radical left policies in Washington."

In less than 100 days, Dems have tried to:

- ✗ Pack the Supreme Court
- ✗ Abolish the filibuster
- ✗ Pass DC statehood
- ✗ Federalize Elections
- ✗ Institute a Green New Deal
- ✗ Raise taxes

We MUST retake the Senate in 2022. Join me at [JaneTimkenforOhio.com](https://JaneTimkenforOhio.com)!

Biden promised unity, but instead has delivered partisanship.

He's throwing out executive actions and trillion dollar spending proposals like candy at a parade.

Biden's \$6+ trillion pork packages aren't a 'rescue' for American families, but a burden.

#### Timken Statement on Biden Address to Congress

CANTON, OH – U.S. Senate candidate Jane Timken released the following statement in response to Joe Biden's address to Congress.

"President Biden's speech tonight and his first 100 days in office have been marked by a failure of leadership on securing the border, protecting American jobs, or putting America First on national security.

Biden promised bipartisanship, but instead has delivered a highly partisan agenda through executive action and trillion dollar spending proposals, like throwing out candy at a parade. Biden's \$6+ trillion pork packages aren't a 'rescue' for American families, but a burden paid for by massive tax hikes on individuals, families, businesses, farmers and more.

Democrats fail to understand that big government is not the solution to problems people are. As a U.S. Senator, I will empower the people, not the government, to advance an agenda that works for Ohioans.

As Biden bends to the loudest voices on the left, it is more evident than ever that we must retake the Senate in 2022, starting in Ohio." U.S. Senate candidate Jane Timken

**Influential Hamilton County Republicans Endorse Jane Timken**  
*State of Cincinnati Heavy Hitters Add to Growing Support*

CANTON, OH – Jane Timken's campaign for U.S. Senate announced the endorsement Thursday of three influential Cincinnati area Republicans: Hamilton County Prosecutor Joe Deters, Hamilton County Treasurer Charlie Winburn, and former Hamilton County Commissioner Greg Hartmann add to the growing list of endorsements received from across the state as Timken consolidates support in her race for Senate.

"As a proud Ohioan, born and raised in Cincinnati, I am honored to receive the endorsement of these strong Hamilton County leaders," said Timken. "In the Senate, I look forward to working side by side with them to improve the lives of people in Hamilton County and Ohio."

"Jane Timken is running for the U.S. Senate for the right reasons – to fight for our communities, protect our families, and advance policies that actually work for Ohioans. Ohio needs someone who isn't afraid to stand up and fight for what is right, and I fully believe that is Jane Timken." – **Hamilton County Prosecutor Joe Deters**

"Jane Timken has been an active leader in her community for decades. She has assisted on an array of important issues like adoption, food banks, and substance abuse treatment, among many others. This community focused, public service mentality is exactly what Ohio needs and is why I am happy to endorse Jane as Ohio's next Senator." – **former Hamilton County Commissioner Greg Hartmann**

She called concerns about not visiting "political games."

But she can travel to Cincinnati today?

**Timken Statement on Kamala Harris' Dog and Pony Show**  
*Harris Should Be At Southern Border, Not Southern Ohio*

CANTON, OH – U.S. Senate candidate Jane Timken released the following statement in response to Kamala Harris visiting Cincinnati today:

"Kamala Harris is coming to Southern Ohio when she should be visiting the Southern border instead. It's shameful that in the middle of a raging border crisis, the Biden administration is more interested in a PR tour for their 100 days of failure than actually addressing issues of national concern.

Even more troubling, after Harris' dismal leadership, Biden has now put her in charge of 'infrastructure.' Only in Washington, D.C. can you get another job after failing at your first. Ohioans won't buy Harris' phony dog and pony show." - U.S. Senate candidate Jane Timken

#### Jane Timken to Kick Off Statewide Listening Tour to Combat "Woke" Education Agenda

*Leftist Teachings Push Political Advocacy, Not Education Accuracy*

CANTON, OH – This week Jane Timken will kick off a statewide listening tour to talk to moms and dads about concerns they have in their children's education curriculum. This tour comes as Biden and Democrats are pushing a "woke" education agenda.

"As a mom, I am very concerned about the effects of Critical Race Theory and other leftist teachings that are being forced on our education system in Ohio and across the country. Moms, dads, and teachers know what is best for our kids in the classroom – not partisan propagandists in Washington pushing a political agenda.

"In order to educate and prepare the next generation, we should focus on improving our schools and expanding access through school choice, not on racial ideologies that only divide our country further. China must be thrilled that the Biden education department is more concerned with being 'woke' rather than teaching math and science." U.S. Senate candidate Jane Timken

This listening tour, launching Friday in Columbus, will consist of parents sharing their concerns so that Jane can take this fight to Washington as a U.S. Senator.

This is outrageous. The Democrat Party of "diversity" is terrified of any diversity of thought - and their Big Tech allies help silence anyone who questions them.

The censorship of conservatives must end!

As President Trump's hand-picked Party Chair who traveled 150,000 miles across Ohio supporting his agenda, I fully agree with the censure of Anthony Gonzalez.

The impeachment was a sham that betrayed the Constitution and went against Ohioans' interests.

I've been in the trenches with grassroots conservatives all across the state fighting to win elections and keep Ohio red. Grateful for their continued support.

We couldn't do this without you!

"Jane Timken is exactly who Ohio needs to represent us in the U.S. Senate because she understands the needs and concerns of all Ohioans. I've known and had the opportunity to work with Jane for nearly 15 years. She's not afraid to get her hands dirty, and I've seen her work at the local, state and national level to advance our Ohio values. She is generous, compassionate and empathetic while also having a backbone of steel. I could not be happier to endorse Ohio's great friend Jane Timken for the U.S. Senate." - Jamie Walters, Stark County Recorder

**Full list of today's endorsements:**

Tracy Richardson, State Representative, 86th District

Gerard Neugebauer, Mayor of Green

Jamie Walters, Stark County Recorder

In addition to these endorsements today, Timken has received over 110 endorsements from elected conservatives in the state. This includes from U.S. Congressman Bob Gibbs, 38 Members of the Ohio Republican Party (ORP) State Central Committee, 20 GOP State Representatives, 18 Republican County Commissioners, 17 Republican County Chairs, 9 Republican Mayors, 4 Republican State Senators, and various other county and city elected officials.

I'm curious what she finds "appropriate" if COVID relief, infrastructure, education, and childcare support for working parents are all "irresponsible" in her eyes.

While in office, Timken said she would oppose President Joe Biden's spending plans, which equal around \$6 trillion in covid relief, infrastructure, and support for families such as access to education and support for women in the workforce, as reported by the New York Times.

"I'm all for targeted temporary spending when it's appropriate, but this is

Today, Senate Democrats are holding a hearing on SB1. Democrats call this "For the People Act" - I call it "For the Democrats Act."

This bill is a pure Democrat power grab that would rig the system, gut election integrity, and trample on states' rights.

It is important to remember the Hamas rockets being fired into Israel are, for the most part, made possible by Iranian support.

What had been a relatively stable situation is rapidly deteriorating because of a lack of leadership by the Biden Administration.

All across Ohio, I'm hearing from moms & dads that they do NOT want Critical Race Theory anywhere near our schools.

It's divisive propaganda that pushes a political ideology at the expense of a good education.
